

SPRING UPDATE

Just a short note to let everyone know some exciting news for the CSPCT that should please everyone.

A couple of months ago, Trish Sullivan and Sandra Craven “our Facebook Angels” conducted another online auction with items they both bought and were donated. As a result, it was a resounding success amounting to around \$1500.00 in bids for the merchandise that was donated to the Trust. We are so appreciative for all they have done, and continue to do, in behalf of our breed.

This past December Dr. Linda Tintle celebrated a very special birthday. When the word got around, some folks on Facebook initiated a “Thank You Dr. Linda” donation page, which raised close to \$5500.00 in donations from Shar-Pei owners and breeders both here and abroad.

Dr. Linda being the person she is, did not accept the birthday gift, but in turn donated her gift to the Trust. It is difficult to express in words how appreciative and thankful we are for this very kind and generous gesture. For Dr. Linda, it’s always been “about the dogs”.

Wishing you a wonderful summer to you and your dogs.

Lee
